

Modular Sales Office - Inspirada 1,872 sf

A Pac-Van modular sales office for residential sales is a cost-effective and fast space solution

Your modular office can take any form or finish, inside and out. You dream it and we design it, build it, deliver it and install it!

The unique architecture of this 1,872 sf modular facility includes a 16' ceiling and large scale windows to maximize the view of the gorgeous surroundings outside. This innovative design truly represents that nearly anything is possible with modular buildings. Because this building was set on a pad and pier foundation, it can easily and cost-effectively be relocated to the customer's next home building site. To top it all off, this project was delivered in **44 days**, allowing the customer to begin generating a return on their investment quickly!
