

Modular Sales Office - Meritage Homes - 2,160 sf

A Pac-Van modular sales office for residential sales is a cost-effective and fast space solution

Your modular office can take any form or finish, inside and out. You dream it and we design it, build it, deliver it and install it!

The functionality of this 2,160 sf modular office is complimented by the beautiful exterior embellishments that include a stucco finish, a clay tile roof and a wide veranda accented by dry stacked stone that create the "old California" look the customer was looking for. Other features include eight foot tall double storefront doors, 10' ceiling and 30x50" windows. Best of all this modular facility is relocatable, so it can be moved to the next home site when the customer is ready - allowing them to save time & money time and time again.
