

# Cost-effective Space Solutions for **Education Applications**

## **Fast**

When time is of the essence, the quick construction time of modular buildings make them ideal for education applications including: **Classrooms, Laboratories, Administrative Offices and Press Boxes.**

Many standard classrooms are **in stock** and available for immediate delivery to your site.

Customized modular buildings are typically ready **30-50% faster** than traditionally constructed buildings since rain delays are non-existent in the factory-controlled environment.

## **Flexible**

We understand your need to remain flexible. When you do business with Pac-Van you have many choices including:

- Permanent or portable buildings
- Rent, lease to purchase, or buy
- Customized or standard floorplans
- Various exterior finishes
- Complete turnkey responsibility

Pac-Van also carries a complete line of secure storage equipment where athletic equipment, files and extra furniture can be stored.

## **Quality Craftsmanship**

Pac-Van modular buildings are built from the same durable materials as used in traditional construction.

## **Experience You Can Trust**
