

Modular Residential Sales Offices

The Beach Company

Building Specifications:

- 2 - 12' x 56' Buildings
- 1,344 total square feet

This custom sales office for Beach Company Custom Homes has the welcoming charm of southern hospitality with lush landscaping and spacious decking as it overlooks the Ashley River and home sites. The stucco-like textured exterior walls combined with upgraded Silverline windows and french doors adds to the warm atmosphere of this beautiful sales office. The hardwood floors are finished with 6" baseboards throughout the Sales Gallery and private offices. A topography board and comfortable sitting & planning area add to the inviting appearance of the Sales Gallery. Even with all these upgraded features, the customer was able to move in to their new sales office in under 60 days.

Experience You Can Trust - Quality You Demand

When time is of the essence, the quick construction time of modular buildings make them ideal for residential sales offices. Pac-Van modular buildings are built from the same durable materials as traditional construction and meet all prevailing state and local codes.
