

# Modular Residential Sales Offices

## Tarragon Development

### Building Specifications:

- 2 - 12' x 44' Buildings
- 1056 total square feet

This custom sales office for Tarragon Development Custom Homes inspires tranquility with its spacious decking that overlooks the Atlantic Ocean and home sites. The textured exterior walls combined with upgraded Silverline windows and french doors adds to the warm atmosphere of this beautiful sales office. The interior is finished with hardwood floors, 6" baseboards and crown molding throughout the Sales Gallery and private offices. Track lighting, a topography board and a comfortable sitting & planning area add to the inviting appearance of the Sales Gallery. Even with all these upgraded features, the customer was able to move in to their new sales office in under 40 days.

### Experience You Can Trust - Quality You Demand

When time is of the essence, the quick construction time of modular buildings make them ideal for residential sales offices. Pac-Van modular buildings are built from the same durable materials as traditional construction and meet all prevailing state and local codes.
