## Madison Towers Sales Office

*Las Vegas, NV*

"Best of Show" Award Winner  
Modular Building Institute  
Annual Award Ceremony

This 5,760 square foot modular building is used as a sales office for upscale condominiums in Las Vegas. The building consists of clear span trusses, ceiling detail and steel headers to create an open sales area complete with a kitchen and bathroom. In addition it was delivered and completely finished in 55 days! This project won the "Best of Show" award at the 2001 Modular Building Institute's annual award ceremony.

### Experience You Can Trust - Quality You Demand

When time is of the essence, the quick construction time of modular buildings make them ideal for Residential Sales Offices. Pac-Van modular buildings are built from the same durable materials as traditional construction and meet all prevailing state and local codes.
