

Cost-effective **Space Solutions**

Project a Professional Image

A buyer's first impression is important. Our top-quality sales offices will project the professional image your company demands.

Save Time and Money

A customized Pac-Van sales office can shave up to 50% off your usual site-built construction schedule. Standard sales offices are usually available for immediate delivery. When you occupy your new sales office quicker, you can begin earning a return on your investment sooner.

Flexibility You Prefer

We understand your need to remain flexible. When you do business with Pac-Van you have many choices including:

- Rent, lease to purchase, or buy options
- Standard floor plans for immediate delivery
- Options include single, standard sales offices and custom multi-unit sales centers
- Permanent or portable buildings

Pac-Van Value

At Pac-Van we pride ourselves in being the best choice for customers who want **Quality, Service & Convenience**. Call us today and experience the Pac-Van difference.
