

# Cost-effective Space Solutions for Industrial Applications

## Save Time and Money

When you are under a time crunch and need space, call Pac-Van.

- Standard buildings are kept in stock at all of our locations for immediate delivery.
- For larger, more customized buildings, think modular. A customized modular building can shave up to **50%** off your usual site-built construction schedule while also minimizing construction related hassles such as weather delays.
- Modular buildings are constructed in a factory controlled environment, so plant or office disruptions are reduced to a minimum.
- The accelerated construction time of modular construction allows you to increase your productivity and begin earning a return on your building investment sooner.

## Flexibility You Prefer

We understand your need to remain flexible. When you do business with Pac-Van you have many choices including:

- **Rent, lease to purchase or buy options**
- **Permanent or portable buildings**
- **Add-on structures can be designed to match the appearance of an existing facility**

Unlimited industrial applications such as in-plant offices, guardhouses, excess inventory storage, shower and restroom facilities, break rooms, change rooms and warehouses.

## Pac-Van Value

At Pac-Van we pride ourselves in being the best choice for customers who want **Quality, Service & Convenience**. Call us today and experience the Pac-Van difference.
