

Modular Golf Pro Shops & Club Houses

Thunderbirds Golf Pro Shop & Mini Kitchen

Phoenix, AZ

This beautiful 2,912 square foot modular facility is utilized as a Golf Pro Shop and a mini kitchen for the Thunderbirds. The main objectives of this project were to create and join two modular buildings that were attractive, fully functional and cost-effective. An added bonus for the customer was the quick delivery of the project, which only took 75 days.
